Town Dump	1,500.00
Old Age Assistance and Aid to Permanently and Totally Disabled	3,600.00
Grader	10,000.00
	<u>\$15,300.00</u> TOTAL

Article 4. (By petition) To see if the Town of Marlow will vote to replace the 1934 booster hose on the number one fire truck. 150 ft. of 1" booster hose. Price not to exceed \$290.00.

Article 5. (By petition) To see if the Town will vote to replace the 1934 vintage 2½ hose on the number one Marlow fire truck with 750 ft. of 2½ double jacketed hose. Price not to exceed \$1,312.50/\$1.75 a ft.

Article 6. (By petition) To see if the Town of Marlow will vote to purchase a Portable Folding Tank. Hypelon construction 1,000 gallon capacity for the Marlow Fire Department. Price not to exceed \$650.00.

Article 7. (By petition) To see if the Town will vote to grant The Marlow Fire Department Ambulance and Rescue Squad permission to sell or trade their present Cadillac Ambulance, if the occasion arises in the next two years. All money realized from such a sale or trade to go toward the purchase of a newer ambulance. All final transactions to be by approval of the Selectmen.

Article 8. To see if the Town will vote to approve requesting the State Department of Revenue Administration to do a complete appraisal of the Town, (the last appraisal having been completed in 1973 we would be scheduled for 1983 at the earliest if we request it to be done now), and place \$500.00 in a capital reserve account for that purpose.

Article 9. To see if the Town will vote to adopt the following amendments to the Marlow Building Regulations: (changes underlined)

- (a) Amend paragraph 3 so that it reads as follows:
3. No trailer or mobile home shall be placed in this town either on a temporary or permanent basis; no building construction shall be started; no alterations of, or additions to, existing buildings of an estimated cost of more than \$500 undertaken, and no building shall be put to any different use than on the day of the enactment of this ordinance until a permit thereof has been issued by the Building Inspector under the terms of this ordinance, or the requirement waived.
- (b) Amend paragraph 6 so that it reads as follows:
Exceptions. The construction of small accessory buildings adjacent to existing dwellings or commercial establishments, the express purpose or suitability of which is neither human habitation, automotive storage and/or repair, nor the housing of livestock, and of an initial estimated cost not in excess of \$1,000.00, and further provided that they are not detrimental to the character of the neighborhood nor a possible health or safety hazard nor in violation of any other provisions of this ordinance, together with minor alterations, repairs and general upkeep of existing buildings shall be exempt from the permit requirement at the discretion of the Building Inspector.

Article 10. To see if the Town will vote to accept the donation by the Marlow Citizen's Organization Bingo Fund of the barn now situated at the town dump.

Article 11. To see if the Town will vote in favor of the Road Committee proposal for relocation of the barn at the dump.

Article 12. To see if the Town will vote to authorize the Selectmen to make applications for and to accept, on the behalf of the Town, any or all grants or other funds which may or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal, State or private agency, and adopt this as a permanent ordinance.

Article 13. To act upon any other business that may legally come before the meeting

Given under our hands and seal, this 20th day of February, in the year of our Lord, nineteen hundred eighty.

Michael W. Durfor
James E. Champney
Joseph N. Feuer

A true copy of Warrant. Attest:

SELECTMAN'S REPORT

This past year brought the 70's to a close; a decade which saw more rapid change in our little town than any in its 200 year history. In the decade just concluded we encountered and dealt with a variety of problems well beyond the expectations of past generations.

Our little school which served us well since the past century was found inadequate for our present community and replaced with a modern facility in which we may all take pride.

Our farmland, abandoned during the 19th Century Industrial Revolution, and returned to nature, was rediscovered and made available for development, with both positive and negative effects upon the town. Our Planning Board came into being in order to more effectively deal with this current trend of development and growth away from the village proper.

During the 70's the increasing demand for more adequate services, such as road maintenance, necessitated the establishment of a full time highway department, with modern equipment at its disposal.

The last, but perhaps the most important change in our town during the past 10 years are the people. To those now among us who saw fit, for whatever reasons, to uproot themselves from their former communities and establish themselves here we offer a sincere welcome. We hope that your expectations have at least in part not been disappointed and that you have found here some degree of what you sought.

We are now entering a new decade, the 80's. What accomplishments will be achieved; what progress will be made for the benefit of our community is up to all of us. We face many problems, not the least of which is the current national economic situation. For the past few years our tax rate not only remained stable, but actually decreased in the face of any ever rising inflation rate. Unfortunately this trend cannot continue. Progress and improvements and increased costs for services must be paid for. Our youth must be adequately prepared to meet the challenges of an increasingly complex world. Our roads must be maintained and improved in order to meet the increased use inherent with growth and development. And until some other method is found to fund these necessities, the increased costs will be reflected in our tax burden.

Marlow is a small town and until now it has been fortunate in escaping much of the ugly side effects of progress and growth. Our village is historically picturesque; our growth is clean and uncrowded. Hopefully the 80's will not see a reversal in this pattern.

A New England village is in most respects a self governing community within the framework of state and nation. It is government by neighbors; relying on the abilities of the residents for the common benefit of the residents and the community as a whole. The quality of this system and its degree of success depends upon the cooperation, interest and active participation of each of us in it.

These past years have witnessed a steady decrease in individual participation. It is becoming ever more difficult to fill the available positions either by election or appointment. Following Town Meeting the selectmen will again be obliged to solicit members for the various committees, and officers for those positions for which no one filed, or to which someone was elected who chose not to accept.

We are well aware that each and every one of us is obliged to pursue his or her respective livelihood and tend to private needs and affairs. However, the number of families and individuals is limited; and when more and more find less and less time to participate, the burden on those who do is increased, and the system is on the road to ineffectiveness.

A case in point is our local Fire Department. While the potential fire hazard of increased dwellings and summer homes on back roads and the return to wood heat has grown, the number of people willing to make themselves available for training and fire suppression has dwindled to where we may soon see our Fire Department rendered ineffectual.

This trend must be reversed. Living in a small town is a privilege; but it also entails the obligation to get involved. To the best of our individual abilities let us make every effort to meet that obligation.

Thank you,

Michael W. Durfor
James E. Champney
J. Norman Feuer

LIBRARY TRUSTEES' REPORT

The library has had another busy year in 1979. In February a night of silent Mickey Mouse cartoons proved to be a big success among young and old alike.

During National Library Week in April we sponsored two programs, one for adults and one for children. A speaker from the Cheshire County Extension Service spoke on gardening followed by a question and answer period. The following night a program for the children consisting of movies, refreshments and the presentation of prizes in the "Library Week Poster Contest" was enjoyed by all.

A book sale was held on Old Home Day and a "Clean-Up Night" took place in October.

A problem has developed this year with people not returning books, particularly state books. When books are not returned, it costs all of us money; if it is a state book, the Library has to pay for it; if it is a town library book, we have to replace it. Consequently, the Trustees have decided we must come up with a stricter policy on overdue books. In the meantime, the Librarian has been instructed not to allow people to borrow books who have books that we have had to pay for.

This past year the Library has opened a savings account with funds we have raised through book sales, plant sales, etc. We are in need of reference books and felt we would like to start an account for this so we will not have to raise all of the money through taxes.

Thank you to Nelda Gorges, Barbara Moulton and Gerry Plotts for helping when the school children come into the Library. We all miss Alberta Cushing who for many years helped with the children. A selection of holiday books were given in Alberta's memory for her years of service.

We invite all of you to stop into your Library. We welcome any suggestions and ideas to improve the Library and better serve the people of Marlow.

Barbara J. Bissell
Chairman

POLICE DEPARTMENT REPORT

CHIEF OF POLICE

Police Report from December, 1978 to December 31, 1979

I answered a Total of 104 calls.

Total of 158 hours.

Total of 1570 miles

To the best of my ability these are the figures for the year.

Marlow Police Department
Chief of Police,
Charles J. Champney Sr.

ANNUAL REPORT
MARLOW FIRE DEPARTMENT

The Marlow Volunteer Fire Department responded to:

14 alarms in 1979. They consisted of:

Four chimney fires,
One case of downed electrical wires,
One forest fire,
One rescue call for a dog, through the ice,
One stand by at the saw mill in town,
One gas wash,
Two mutual aid calls to East Alstead and one to Gilsum,
One cover truck to East Alstead and one to Acworth
One small forest fire caused by children with matches.

We called for cover trucks once each from Gilsum and Stoddard.

47 Fire Permits issued.

Charles B. Strickland
Fire Chief & Warden

Balance, December 31, 1979		\$2,957.19

We wish to thank again all those people who made our Contributions and Donations line so large. It makes us feel good to have the public think enough of our service to support us in all the ways you do.

We are going to try and get a newer ambulance in the next two years. Our present one is O.K., but we need more storage space to carry all our state required equipment.

New Hampshire Emergency Medical Services control all ambulance services. Large or small. Paid or volunteer. We all have to operate with the same equipment and licenses.

NORTH CHESHIRE COUNTY HOME HEALTH SERVICE

ANNUAL REPORT

December, 1979

Dear Friends:

Since September, 1969 the North Cheshire County Home Health Service has been providing visiting nurse and other home health services to our area towns. In the last fiscal year the nurses made 643 visits, the Physical Therapist made 133 visits, and the Homemaker/Home Health Aides made 290 visits to make a total of 1,066 visits to people in their homes.

This is the year for change for our Agency. The Board of Directors felt that considering all the Federal regulations for Medicare certification that it is no longer practical to try to maintain the small part-time agency. Negotiations began last Spring with Cheshire Senior Services and Marlborough Community Nursing Association to effect a merger of the three agencies into one Medicare certified agency. It is expected that final merger will take place this month when the new Agency, Cheshire Health and Social Services, will receive their notification of Medicare certification.

The office in the Gilsum Legion building will continue the same. You may call the nurse at the above phone number (357-0969) or call the Cheshire Health and Social Services office, 93 Roxbury Street, Keene, N.H., at 352-2253 - 8:00 A.M. to 4:30 P.M. Mrs. Edith Hasbrouck, R.N. and Mrs. Sandra Gourley, R.N. will continue to serve as visiting nurses. A new Physical Therapist, Mrs. Christine Kopec, R.P.T., is contracting for that service.

We are also in the planning process with the Keene Visiting Nurse Association and other agencies to develop an area-wide comprehensive Child Health Program. It is hoped that this will begin next Spring. We plan to continue our present well child program until then. Due to discontinuation of State funding our preschool Dental Health Program had to be discontinued.

As a result of these changes we have not conducted our annual membership drive. It is expected that Cheshire Health and Social Services will have a membership drive in the new year. We are grateful for the support of so many of you for the past ten years and we hope that you will continue your support to the new agency.

We are also asking that the same town appropriations usually requested for North Cheshire County Home Health Service be appropriated to Cheshire Health and Social Services, where it will be used exclusively for Cheshire Home Health Services.

We firmly believe that the merger into a larger agency will provide the people of our area with better, more efficient and comprehensive home care services.

Sincerely yours,

The Board of Directors
